### Languages

English, Tagalog, Kapampangan, and Spanish

#### Interests

Special Performance Recognition at UCSF-SFGH, 2006, 2013 and 2014.

#### Additional Information

#### PROFESSIONAL LICENSE:

Clinical Laboratory Scientist

License Number: MTA 39902

State of California

#### AWARDS:

- Special Performance Recognition at UCSF-SFGH, 2006, 2013 and 2014.

#### Accomplishments

- 2008 Improved turn-around-time in Hematology by 40% for the CBC's and Coagulation; 50% for the fluid cell count.
- 2010 Improved patient comparison of instruments by implementation of method correlation for Hematology and Point-of-Care testing.
- 2011 Reduced occurrence of lab test errors for semen carry-over for IRIS by 100%.
- 2012 Streamlined the CLS duties to improve quality control and quality assurance efficiency in the department.
- 2015 Improved documentation for blood gas controls and save budget cost from printing paper.

#### Highlights

Windows XP (MS Word, Excel, Power Point & etc.), Sunquest, EP Evaluator & Phlebotomists

#### Skills

CLS, Chemistry, clerical, CA, CPR, data entry, Hematology, Immunology, inventory, Medical Technology, Excel, office, Power Point, Windows XP, MS Word, Works, Phlebotomy, phlebotomist, QA, Quality Control, Quest, San, Sun, Supervisor, phone, Trauma, troubleshoot, troubleshooting, type, urinalysis, validation, venipuncture
