

FREELANCE WEBSITE DESIGNER

Summary

Marine Corps trained leader and business development specialist. With an extensive background in many facets throughout the operational side of a business, I always seek out ways to assist and improve my teams training and overall performance.

I have in 12+ years of experience in website development, internet research and seo, 4 years experience in purchasing, training, and supply chain control for the military, 15+ years in b2b/b2c sales, business loan brokering, and real estate investment training.

I bring with me an impeccable work ethic, thanks to my time in the Marines, to ensure an exemplary outcome to all goals that my position requires.
