Sr. Software Test Engineer Aug 2009 to Feb 2012

- Functional/Regression testing.

#### Education

POST GRADUATION MCA Institution: Park College Of Engineering & Technology, Coimbatore. University: Anna University. Percentage: 80% (with distinction) UNDER GRADUATION B Sc., MATHS WITH COMPUTER APPLICATIONS Institution: Park college of arts and science, Tirupur University: Bharathiar University. Percentage: 76% Higher Secondary Bishop Upagaraswamy Higher Secondary School, Tirupur Marks secured: 81% Secondary School Bishop Upagaraswamy Higher Secondary School, Tirupur Marks secured: 82%

Interests

Active Member in NSS in college level.

\*Have participated in skit competition

\* Marathons

#### Publications

#### Technical Reports:

- Published Multi- browsing Testing white paper. (2010) in Member experience Portal, Part of Wellpoint project in Accenture.

#### Personal Information

- Place of Birth: Tirupur, India
- Date of Birth: 22 nd June, 1985
- Present Resident in: India
- Sex: Male
- Status: Married
- Hobbies: International Travel, Cricket, Tennis

#### Additional Information

- Extra Curricular Activities Active Member in NSS in college level. Have participated in skit competitions.

#### Skills

Agile, arts, COMPUTER APPLICATIONS, Sc, Client, Version Control, Data management, Database, Electronic Data Interchange, Engineer, xml, Functional, HP, IBM, Java, Mac, mentoring, Sharepoint, Windows 8, Operating Systems, Oracle, QTP, Quality, quest, Reporting, Scrum, scripts, Software Testing, sound, SQL Server

Healthcare:, advanced problem-solving, great organizational skills
